WGU Washington was designed to be flexible so that you could complete your coursework from anywhere your busy schedule takes you. To celebrate 10 years of going where you go, we invite you to take this Sage cutout to a variety of locations around the state. Whether it's hiking in the mountains, cheering for your favorite sports team, or sitting at a local coffee shop, position Sage in the shot and post it to social media with the location and hashtag [#sageacrossthestate](#).
